

S'mores with Sasquatch

premium experience

A Bit More Information

Introducing our thrilling "Sasquatch and S'mores" experience—an unforgettable adventure that will leave you with cherished memories and stories to share for years to come. Picture this: as you gather around a crackling fire under the starlit sky, indulging in the classic delight of s'mores, an unexpected visitor lurks in the shadows.

Our mischievous Sasquatch character, straight out of folklore and legend, will make a covert appearance at your s'mores gathering. As you roast marshmallows to golden perfection and assemble the perfect combination of chocolate and graham cracker, this friendly and elusive creature will gradually reveal itself, surprising you with a 45-minute experience unlike any other.

We provide everything you need for a cozy evening, including firewood, marshmallows, chocolate, graham crackers, roasting sticks, and firestarter. Let us take care of the details while you immerse yourself in this extraordinary experience.
